Work To Begin Soon On New Well, Water Mains

Work on the extension and improvement of the Mokena water system is expected to get under way shortly, it was indicated this week.

The village board was scheduled to take bids last night on the \$105,000 of bonds authorized at a referendum last July.

When the bonds have been converted into cash the village will then be in a position to take bids on the various phases of the work.

The principal business, as far as importance to the public is concerned, will be the drilling of a new well. This well is to be located on village owned land on Denny, across the street north from the Pioneer cemetery. Village Attorney Ronald Galovich is still waiting for the title company to complete its search on the property.

Mokena has but one well and if anything happened to cause it to cease functioning the village would have no water supply. This fact, more than any other, is believed to have caused the public to rally to the support of the bond issue. A similar proposal had been voted down last year but drought problems in the area this summer apparently produced a change of outlook. The bond issue was approved by a substantial margin in July.

Plans for the extension of new mains from the new well to the storage tank at the village hall on Front street, are awaiting approval at Springfield as are the other

plans for mains to serve residential areas which now depend upon half inch and inch lines instead of mains. These plans were prepared by Village Engineer Ralph Yunker.

Yunker recommended that instead of putting a new wooden frost casing on the standpipe of the water tank that the pipe be wrapped directly in insulating material. It would be cheaper than using the wooden frost casing, he said, and would last about 10 years. Now the village is inquiring into the possibility of buying the frost casing for a water tower on a golf course near Calumet City. The tank is no longer in use. Its frost casing is fabricated from fiber glass and aluminum and should be even cheaper than just to use insulation alone, according to a board spokesman.

The village will also have to repair the roof of the water tank. It was damaged by the storm of Aug. 26.

The village also is preparing to make some improvements at the village hall, including toilet facilities which the hall has never had, and an air conditioner.

Trustee Hans Mueller reported that he is getting information on trucks and snowplows. The present truck should be replaced, it was said, and a new one purchased. Mueller is looking into such details as a dumping apparatus, cinder spreading machinery and a blade that should speed snow

removal. He also reported that he has a request in the budget for funds to purchase a tractor to be employed in mowing grass and weeds on village property.

On a motion by Trustee Weitendorf the village attorney is to prepare an ordinance creating the office of village plumber and that such official be given exclusive right to make all water and sewer taps on village mains.

The annual tax levy ordinance of approximately \$66,000 was adopted, leaving some \$25,000 to come from other sources.

WINS AGAIN -- Robert Porter, who lives in Lincolnwood (New Lenox township) scored a repeat victory in the National Air Races at Reno, Nev., last week-end. He won the 190 cubic inch midget championship with a plane similar to the one pictured here, for the second year in a row. Porter toured the pylon course with his tiny plane averaging 202,136 miles an hour, which is a lot of hustle for a craft this small.

Walter J. Mattes, West Circle drive, suffered serious back injuries last week Saturday at his home when he was knocked out of a tree, 10 feet to the ground by another falling limb. Mr. Mattes had taken a chain saw up into the tree with him to remove another tree that had fallen into the tree he was in. Evidently the limb had been broken in the storm and unnoticed, broke loose when Mr. Mattes started working on the other tree. It fell against him, knocking him to the ground. Luckily the saw flew thru the air and did not hit him. An ambulance was called and he was removed to Silver Cross hospital where he is confined and will be for some time.

Gas dryer
savings,
I love you.

XXXXXX

You'll never get flowers from an automatic gas dryer, but you'll appreciate almost as much the sweet smell and soft, fluffy feel of clothes dried in a gas dryer. And you'll love the savings, too.

Gas dries clothes for 1/4 the cost of other types of dryers. You save up to 4¢ a load. That certainly adds up, week after week. For the average size family, it adds up to almost \$20 a year! Considering the long life of gas dryers, you can actually pay for one on the operating savings alone.

And think of the time you'll save! No more lugging heavy laundry loads out to the line. No weather worries. No time lost on washdays; because a modern gas dryer will easily keep up with your washer.

Start a love affair with a new gas dryer. (We haven't had a jealous husband yet!) Pick a model at your Northern Illinois Gas Company or appliance dealer's soon.

Plan Tenth Annual Art Fair In Park Forest Sept. 18-19

The Park Forest shopping plaza will take on the aura of the Gay Nineties Saturday and Sunday, Sept. 18 and 19, the date of the village's tenth annual Art Fair.

The work of 175 Midwest area artists will be on display and for sale from 10 a.m. until dusk Saturday and from 10 a.m. until 6 p.m. Sunday.

Paintings in all media, sculpture, pottery, photography, weaving, and handmade jewelry will be ex-

hibited.

The fair, free to the public, is sponsored by the Park Forest Art Center with the cooperation of the Park Forest Plaza Merchants association.

The nostalgic mood of a bygone era will be recreated by a Barbershop quartet singing old favorites and sleeve-gartered, mustached waiters serving refreshments under a red and white tent.

The tent will also house a

stage and seating; on both days fair patrons will be offered free musical and dramatic entertainment including dancing, folk-singing, play-reading and children's theater.

The traditional children's art contest, with scholarships to the Art Center school as prizes, will be held this year.

Programs listing and locating artists will be available.

Make Fun Fair Plans For Summit Hill PTG

MRS. EDWARD HOVI
Telephone: 479-5740
The Summit Hill Parent-Teacher Group held their first meeting of the fall season at the school on Thursday evening, Sept. 9.

The meeting was conducted by the new officers: president, Mrs. Herbert Neumayer; vice president, Mr. C. J. Reeves; secretary, Mrs. Richard Boothe; and treasurer, Mr. Richard Terracina.

It was a short business meeting at which time there were various committees established. The meeting was followed by the introduction of Kenneth Webster, the new superintendent of the school chosen following the resignation of the previous superintendent, H. James Wrath.

Webster explained the functions of the school and finished up by introducing the school's staff, both new members and those who had been here in the past year.

Special note was taken of the gold sunburst clock, a class gift from the eighth grade graduates from Arbury Hills School in 1965. The clock will be permanently displayed in the school office.

There will be a meeting of the ways & means committee at the school on Thursday, Sept. 16 at 8 p.m. It will be an open meeting, and anyone wishing to help out with the committee is cordially invited to attend.

The decorations of the all-purpose room was by the eighth grade, and the refreshments were contributed and served by the executive board.

The Fun Fair will be held again this year on Saturday, Oct. 23. There will be much need for help in

this large undertaking. Willing or unwilling volunteers will be gratefully accepted.

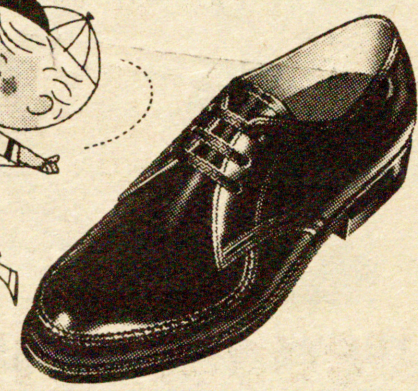

The next meeting of the PTG will be held at the school on Thursday, Oct. 7 at 8 p.m. There are plans to issue a monthly bulletin to notify the people of the forthcoming meeting and the expected program. It was hoped that in this way there would be a large turnout for each meeting.

The Arbury Hills Baby Sitters Cooperative has its secretary's book with Mrs. Leonard Guntz until the end of the month. If any member needs a baby sitter, please contact Mrs. Guntz at 479-5345 at least twenty-four hours in advance of the date needed.

If any mother in Arbury Hills wishes further information on the club, please contact Mrs. Guntz at the above number.

The Arbury Hills Teens Club will have its first meeting of the fall at the school on Monday, Sept. 20 at 7:30 p.m. All teens in the Summit Hill school district, between the ages of thirteen and eighteen, and are presently attending school are invited to join.

NI-Gas Makes Sure Of Customers' Comfort

A new natural gas pipeline for Northern Illinois Gas Co. is nearing completion, according to Barton Juell, NI-Gas district manager.

The 72 mile pipeline originates at the utility's underground storage facility at Ancona and travels eastward to tie in with major supply lines near Mazon and Wilmington. The NI-Gas line then extends north to tie-in with the company's existing distribution system near Goodings Grove - approximately 10 miles northeast of Joliet.

During the peak winter-time periods, the utility's

pipeline will deliver both storage and pipeline supply gas at a rate of approximately 200 million cubic feet per day. Thruout the summer, the NI-Gas main will carry gas from the supply pipelines westward to be injected into the Ancona reservoir.

Juell explained the line is being built in order to assure adequate natural gas supplies to customers in the company's fast - growing service area.

Contracting & Material Company of Evanston is building the line and testing will be completed during September.

Knights May Lack Size But The Will To Win Is Big

BY TOM SCARTH
The key to a successful season this year in the South-west Suburban Conference may very well be experience and desire. This year's Lincoln-Way football squad has plenty of both. What the Knights lack in size, they make up in desire. As far as experience goes practically all the seniors this year got into last season's

action. This year's squad is looking forward to improving last year's one and seven seasonal record. The team is also looking forward to breaking the 11 year Homecoming jinx.
At the helm of the 1965 varsity squad is head coach Bob Allen whose outlook for the team is very promising. Assisting Coach Allen are offensive coaches Dick

Arbazanni and Chuck Snook, a new member of the coaching staff. Helping out on defense are veteran coaches Ray Page and Ron Stopka. Bill Markl, another new member to the coaching staff, will also help out on defense.
This year's varsity squad consists of 17 seniors and 19 juniors; a total of 36 participants.

The seniors include: Keith Schram, 150 lb. quarterback; Marc McPherson, 145 lb. halfback; Jim Markl, 160 lb. halfback; Jack Tomoneck, 150 lb. halfback; Wendell Bormet, 165 lb. fullback; Ray Hommes, 170 lb. center; Chuck O'Conner, 140 lb. center; Tom Stoner, 170 lb. guard; Tom Cochran, 155 lb. guard; Wayne Rouson, 175 lb. guard; Chris Klasing, 175 lb. guard; Warren Anderson, 190 lb. tackle; Ron DeForest, 190 lb. tackle; Jerry Krueger, 190 lb. tackle; Earl Veltman, 175 lb. tackle; Mike Bernard, 160 lb. end and Bob Arthur, 155 lb. end.
The juniors are: Al

Jahneke, 165 lb. quarter-back; Dale Brown, 150 lb. lb. halfback; Rodney Runestad, 150 lb. halfback; Gary Novata, 160 lb. half-back; Bob Gast, 165 lb. halfback; Mike Gumble, 150 lb. halfback; Frank Fleck, 165 lb. halfback; Tom Roberts, 140 lb. halfback; Doug Shreffler, 170 lb. fullback; Mike Yeager, 185 lb. center; Chuck Williams, 150 lb. guard; Bill Haskins, 160 lb.

guard; Warren Webb, 225 lb. tackle; Don Ball, 190 lb. tackle; Jim Surovich, 230 lb. tackle; Steve Ihde, 185 lb. end; Dave Smith, 155 lb. end; Tom Hartnell, 185 lb. end; and Greg Anderson, 160 lb. end.
Saturday the Knights open the 1965 season against Le-mont. The Knights are hoping to revenge the loss of last year. The sophomore game will start at 12 and the varsity at 2 o'clock.

Jr. Varsity Burros Win

Mokena's midget football team, the Burros, played three games at Normal, Ill. and were involved in three close contests. The midgets lost in a close game 7-0. The varsity fought an uphill struggle only to fall two points short at the end, 20-18. The junior varsity won 19-13 in a very exciting game.

In the varsity game, an undermanned Burro team, playing their first game, showed great courage and the willingness to come back after trailing. Ed Scallise proved to be Mokena's big whip. He had TD runs of 33 and 71 yards, the last of which was on a kick-off. The defensive play of Frank Folisi aided the line led by Jim Muscio and Mark Knize. Orville Shaw also scored for the Burros varsity.

The juniors were in control all the way in their

game, altho the score was close. The battering fullback play of Bill Clegg and Ron Olson cut down the opposing Mighty Mites line. Special applause was given to the line play which had been sadly lacking until this game. Scores were made by Ken Fortman on an end run, Mike Popilek on a pass from Toby Krueger, and Toby Krueger on a roll out. Clegg rammed thru for the only Mokena extra point.

The seasons first home game will be played at Mokena Park this Sunday against Midlothian. The first game at 1:30 p.m.

Labor Day the Burros lost to Glen Ellyn 32-12.

Parents of members of the Burros team are sponsoring a dance this Saturday night at the VFW hall on Wolf rd. The public is invited.

Crossing Guard Jobs Go Begging At Orland Park

So far the post of school crossing guard has gone begging at Orland Park.

Police Chief Frank Guetter has been trying for several weeks now to fill two crossing guard posts. It doesn't matter whether the applicant is man or woman, the chief said, but to date no one has been interested.

The guards are used to protect youngsters crossing streets on their way to or from school.

Board Pays Respect To Memory Of Richard Farr

A resolution commending the public service of the late Richard O. Farr, who died recently as a result of

a sudden illness, and expressing its sympathy to the widow and members of the family was adopted by the Orland Park village board at its regular meeting Monday night.

The resolution, which was drafted by Village Attorney, Raymond Pieper, states that the mayor and board of trustees of the village of Orland Park are deeply grieved at the sudden and untimely death of their friend, Richard O. Farr.

It goes on to recite that Mr. Farr was active in the

civic affairs of the village and particularly as secretary of the plan commission from the day of its creation to the time of his death.

"Whereas service on the plan commission is a voluntary service and an important service with respect to the growth and development of the community; and

"Whereas this board as well as all citizens of the village of Orland Park deeply appreciate the voluntary service rendered by Mr. Farr as secretary and a member of said plan commission.

"Therefore, be it resolved that this resolution be adopted as a mark of our sincere respect for the memory of Richard O. Farr and as a token of our heartfelt sympathy for his widow and family in their bereavement."

The resolution was spread upon the minutes of the village board and a copy sent to the Farr family.
